# ACICIS Sustainable Tourism Professional Practicum (STPP)

Placing well-rounded interns within Indonesia-based organisations

## What is ACICIS?

The Australian Consortium for 'In-Country' Indonesian Studies (ACICIS) is the longest running provider of in-country Indonesian study programs for Australian university students and the primary mechanism through which Australian students pursue study in Indonesia for academic credit.

From small beginnings as a facilitator of accredited in-country Indonesian language study, ACICIS' program offerings have grown to include six-week and semester-long professional practicum programs in a range of disciplines including journalism, law, business, creative arts, development, agriculture and international relations.

ACICIS is a consortium of twenty five Australian member universities (including all of the Group of Eight) as well as overseas centres of excellence in the field of Indonesian and Southeast Asian Studies, such as SOAS at Leiden University and the University of London.

## What does the STPP offer host organisations?

Via a careful selection process, ACICIS aims to provide Host Organisations with excellent interns with prior practical experience in the tourism industry. STPP students can assist your organisations with:

- ◆ Reviewing and compiling project monitoring reports;
- ◆ Assisting with current or new project design and implementation;
- ◆ Research assistance and data collection;
- ◆ Field visits to one or more of the Host Organisation's partners; and
- ◆ Editing and maintain visual archives.

## How to participate as a Host Organisation

- ◆ By hosting one or more ACICIS STPP interns in your organisation, or;
- ◆ Via in-kind support through the provision of speakers, networking events and/or venue support, or;
- ◆ Through tailored sponsorship packages.

## What is the STPP?

A six-week intensive academic and vocational study program for high-achieving upper undergraduate Australian and international students.

Students undertake two weeks of intensive language learning and industry-led seminars on Indonesia's tourism and hospitality industries.

Students then complete a four-week supervised industry placement with a participating Australian or Indonesian organisation.

Students are selected on a strictly competitive-entry basis, based on evidence of excellent academic achievement, and demonstrated voluntary and professional experience.

Students are eligible to receive academic credit for the program towards their home degree.

## Sponsorship Packages

ACICIS is seeking sponsorship from businesses and organisations interested in supporting the development of the STPP through a range of sponsorship packages. Arrangements may include:

- ◆ One-off or ongoing financial contributions to the ACICIS STPP;
- ◆ Scholarships and/or travel grants provided directly to STPP students.

In return, ACICIS will:

- ◆ Acknowledge the support of sponsors and supporters in promotional material;
- ◆ Provide talented interns for industry placements; and
- ◆ Enable sponsors to attract talented Indonesia-literate graduates to their organisations.

For sponsorship enquiries, please contact ACICIS' Resident Director, Dr Adrian Budiman.
